

**Calabasas Landfill** (tentative revised Waste Discharge Requirements)

The Regional Water Board will consider, at its May 7, 2009 meeting, adopting waste discharge requirements for the Calabas Landfill in Calabasas, Los Angeles County, the operation of an approximately 505-acre existing Class III municipal solid waste landfill. If adopted, the waste discharge requirements would update environmental control measures for the continued landfilling operations. Written comments concerning Calabasas Landfill may be sent to: Enrique Casas, Los Angeles Regional Water Quality Control Board, 320 West 4<sup>th</sup> Street, Suite 200, Los Angeles, CA 90013 or [ecasas@waterboards.ca.gov](mailto:ecasas@waterboards.ca.gov). For further information, please contact Enrique Casas at 213.620.2299.
